#### VALUABLE LAXATIVE FREE

health, strength and rich blood to the body.

It is necessary first of all to chew food thoroughly. Next the stomach must be in condition to digest it, and the browls to civen it ready for removal. And right here so many find their greatest trouble. The fermenting, undigested food stays in the stomach and bowels, impairing the nerves and blood, giving rigs to sallow complexion, headache, sour stomach, bad breath and often serious afflictions like skin diseases.

All this is due to impaired digestion and to a refusal of the bowels to do their work. The best way yet found to strengthen the stomach and tone in bowels so that they will do their work is by the use of such a grand laxative tonic as Dr. Caldwell's Syrup Pepsin, now for nearly a quarter of a century the one most important household remedy. It is a remedy and surrecilef that all the family can use for the cure of constipation, indigestion, liver trouble and all other aliments of the stomach, liver and bowels.

Thousands of American families use it regularly for these troubles, for it can be given with safety to the smallest child. In the home of Mary Belford, Louisville, Ky, as well as that of John Smith, Moorhead, Miss., they would as soon think of being without the actual necessaties as without Dr. Caldwell's Syrup Pepsin, But realizing how skeptlen many people are about a laxative, owing to the difficulty of finding one that is genuinely good, Dr. Caldwell will send a free sample of his remedy to any one desiring it. He will cheerfully do this, so do not hesitate to make the request. The remody can be bought of any druggist at only fifty cents and one dollar a bottle, the large bottle being for family use.

Dr. Caldwell personally will be pleased to give you any medical advice you may desire for yourself or family pertailing to the stomach, liver or bowels absolutely free of charge. Explain your case in a letter, and he will reply to you in detail. For the free sample simply send your pame and address on a postal card or otherwise. For either request
